Principal: Mr. Mike Fritz

Vice-Principal: Ms. Sue Carmichael

---

May 1, 2008.

Dear Rotary Club of Red Deer Members,

Thank you for providing us lovely seats and great food at lunch. We really appreciate the opportunity to go and listen to John Wood. We all had a great time. It was a great inspiration. We would like to do something that helps people in our world. We plan to lead some projects at our school to help people. Right now our school is collecting used books to donate to the Christmas Bureau. It's a project called Christmas in May. At our school, we practice the seven habits and one really important part is helping in our community. We try to do many different community activities to help. By going to see John Wood we were inspired to work harder and do even more and be leaders in our school. Thank you very much.
